Lt. Lieut. N.J. Hall - 3th. Ar.

The Rebel Line, extended across of a formidable field work which, after this fort, began a series of irregular lines upon Warwick River, with occasional redoubts and by the interval between them and Y lines of trenches commanding a series of heavy caliber captured. This Plan shows about half the field lines from reconnoissances in but very incompletely represented our works of Siege, including the redoubts shown. Redoubts by Figures between brackets thus
