## POT PAIRING MENU

*Falafel sandwich includes the noted toppings and three falafel balls in your choice of white or whole wheat pita.*

### Lemon Haze

A swipe of hummus, yogurt sauce, garlic parsley, crunchy onions, turkish salad & pickled cauliflower.

The aroma of the marijuana Lemon Haze strain is zesty, citrusy, and a little sweet. The toppings enhance the high with bold, tart flavors and varied textures. The pot/sandwich pairing has been known to induce energy and creativity.

### OG Kush

A smear of baba ganoush, beets, pickled turnips, creamy cole slaw, a drizzle of garlic parsley & tahini.

The root vegetables and tahini complement the earthy pine scent and woody undertones of the OG Kush strain. The acidic pickled beets kick the complexity of the flavors into high gear. This pot/sandwich pairing has been known to induce sharpened sensory awareness.

### Afghani

A generous dose of baba ganoush, sliced cucumber/onion/dill salad, fried eggplant, crunchy onions & thinly layered garlic cream throughout.

The deep calming effects of the Afghani strain are enhanced by the heavy toppings. This pot/sandwich pairing has been known to induce intense relaxation.

### Cabbage Patch

A spread of hummus inside the pita, zesty red cabbage, creamy cole-slaw, tart and tangy Turkish salad, & a drizzle of garlic cream.

The earthy, fruity Cabbage Patch buds pair well with the tangy slaws, Turkish salad and comforting garlic cream. This pairing has been known to relax the muscles, fostering a calmness that opens the mind to new ideas.

### Cactus

A base of baba ganoush, chickpea salad with imported pickles, dots of red pepper sauce, tomato/cucumber, and finished with traditional tahini.

The woody, flowery notes pair well with the robust flavors of the jalapeno-cilantro & red pepper, as they nestle in the creamy earthy baba ganoush, imported pickles lending a sweet zest. This pairing has been known to induce an uplifting energizing and euphoric effect.
