## THE FACE OF **IMPLANT DENTISTRY**

### Dr. Israel Puterman

5454 Wisconsin Ave, #1550, Chevy Chase, MD 20815 | 301.652.0939

**W**hen you need specialized care, you deserve a doctor with the highest level of expertise. In addition to being a Periodontist, Dr. Israel Puterman completed a residency in Implant Dentistry, making him one of the most highly qualified dental implant surgeons in the country. Treating the simplest to the most complex cases involving implants, gum grafting and bone grafting, Dr. Puterman emphasizes the least invasive techniques in order to achieve superior results. In addition, Dr. Puterman is

uniquely trained in IV sedation, so that you can rest in comfort during any necessary procedure. Voted by his peers as a *Washingtonian* Top Periodontist, his goal is to provide world-class periodontics and implant dentistry in the most relaxing of atmospheres. Originally from Montreal, Canada, Dr. Puterman attended Boston University for dental school and Loma Linda University in California for his residencies. He's been in private practice in the DC area since 2008.
