

FACES OF WASHINGTON 2016

THE FACE OF **COSMETIC DERMATOLOGY**

Dr. Sherry Maragh

Shady Grove, 301.358.5919 | Northern VA, 703.858.0500 | www.maraghdermatology.com

Dr. Sherry Maragh and her team of Board Certified specialists provide comprehensive dermatology care including medical, surgical, cosmetic and laser dermatology. The Centers use the latest laser technology for facial rejuvenation, skin tightening, fat and vein removal, stretch mark and scar revision. Dr. Maragh received her training at the prestigious Mayo Clinic Department of Dermatology and Dermatologic Surgery. She is a highly-skilled and experienced Mohs and Cosmetic Surgeon. She completed extremely competitive, specialized surgical fellowship training in Mohs

Micrographic Skin Cancer Surgery with advanced facial reconstruction and minimally invasive cosmetic surgery with emphasis on liposuction and facial rejuvenation in New York and Los Angeles. She is an accomplished and recognized fellow of the American Academy of Cosmetic Surgery and the American College of Mohs Surgery. "I have a great passion for my specialties. Helping people to feel comfortable and confident with the way they look, whether addressing a cosmetic concern or treating skin cancer, it is my goal to help my patients achieve an appearance that positively impacts their lives."
