When it comes to estate planning, the dynamic team at 35-year-old law firm Pasternak & Fidus has a deep bench. Nancy Fax blends sophisticated technical expertise with her unique brand of practical savvy and personalized attention. She and P&F's other veteran partners lend decades of wisdom and experience to coaching the growing ranks of their heirs apparent: Anne Coventry, a crackerjack with big-firm training and a talent for maintaining family harmony; Stephanie Perry,

an insightful rising star who applies finesse and astuteness in equal measure; Alex Tanouye, a versatile go-getter handling planning, probate, and fiduciary litigation; and Pat Schoshinski, a thorough tax technician skilled in untangling business succession issues. Already focused on the next 35 years, this nimble team is grooming promising newest additions, Micah Snitzer and Christina Scopin, to ensure continuity of client service. Bonus: working seamlessly with P&F's family law attorneys makes this team the ultimate pre-nup powerhouse.
