

FACES OF WASHINGTON 2016

THE FACE OF **RHINOPLASTY**

Alex Mesbahi, MD

7601 Lewinsville Road, #400, McLean, VA 22102 | 703.287.8277 | mesbahimd.com

Dr. Alex Mesbahi is a plastic surgeon certified by The American Board of Plastic Surgery that performs cosmetic and reconstructive surgery of the face and body. Voted a *Washingtonian* Top Doctor by his peers, he has a special interest in primary and complex revision rhinoplasty. He is known as one of Washington's top rhinoplasty surgeons and recently taught a continuing education course in rhinoplasty for plastic surgeons from around the region at The Northeastern Society of Plastic Surgeons in

Philadelphia. He is an Assistant Clinical Professor of Plastic Surgery in the Department of Plastic Surgery at Georgetown University Hospital and has been given the Outstanding Faculty Teacher of the Year Award. He is one of the few rhinoplasty specialists offering 3-D Vectra imaging to help create a unified vision with his patients. His reputation has earned him a clientele that travel from as far away as California, Europe and the Middle East.
