

## THE FACE OF **BUSINESS CONSULTING**

### **StellaPop Consulting**

Reston, VA | Washington, DC | 703.956.3022 | [StellaPop.com](http://StellaPop.com)

**E**veryone is stretched, and looking for resources. At StellaPop, we come to work every day because we want to solve and manage the biggest challenges for our clients.

We provide business and creative consulting services, using a collaborative and innovative process fueled by our amazing business leaders, executives, specialists, developers and designers.

Our approach is simple — we uncover your challenge areas, create a solution strategy, and

manage to completion. We can assist with initiatives focused on operational leadership, HR (including team management), business strategy, IT & technology, process management, creative, branding and much more.

Skip to the outcome. Your list of business challenges, knocked out — completed. Your leadership team, leading your company forward. StellaPop covering the details, getting it done.
