

FACES OF WASHINGTON 2016

THE FACE OF **MOMMY MAKEOVER**

Dr. Yongsook Suh — Victoria Plastic Surgery Center

8503 Arlington Boulevard, Fairfax, VA 22031 | 703.846.0097

Dr. Yongsook Victoria Suh, the Founder of Victoria Plastic Surgery Center, is a well-recognized Plastic Surgeon who has presented her research around the world.

She has been honored by many Societies, including the Plastic Surgery Education and Research Council. Dr. Suh passionately promotes Women's Health and Well Being, especially after child birth. The word "mom" signifies "ultimate hope" in the world, but becoming one also results in myriad of changes in a woman's body and

health. Dr. Suh and her team loves to rejuvenate both the body and the spirit of women after childbirth. Revitalization of Skin, Body Lifts, Breast Enhancements, Abdominoplasty, Liposuction, Laser Surgery or combinations of these treatments are just the beginning. Explore your "Mommy Makeover" options with Dr. Suh. Her team champions the belief that each woman deserves personal care in a state of art surgical facility that incorporates advanced surgical techniques and perfection in safety.
